## OBJECTIVE

To leverage my technical, analytical, and problem-solving skills to drive innovation, enhance efficiency, and contribute to the company's growth and success.

## PROFESSIONAL OVERVIEW

I'm a self-taught front-end web developer with a BSc.Ed in Computer Science, driven by passion and countless hours of hands-on learning. My experience as a freelance developer and technical educator has strengthened my ability to collaborate, mentor, and adapt quickly.

I also bring a background in IT support, IT Infrastructure, and Microsoft Office solutions, making me both technically versatile and detail-oriented. I'm seeking an opportunity to contribute my skills in programming, problem-solving, and innovation, while continuing to grow and make a meaningful impact within a dynamic team.
